

*Although still a new idea in the UK – Academies in Europe are popular and a great way of putting a set training program into place for long term success.*

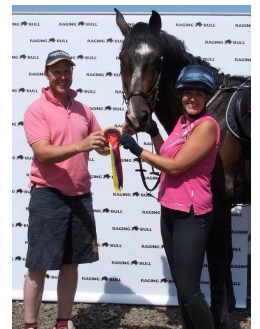

*Having seen in Switzerland how young riders thrive and progress in this type of environment, the JB Academy was developed for riders of all ages, who wanted to succeed in the world of show jumping. The JB Academy, now looking to its sixth year, has seen great competitive results as well as riders enjoying the great atmosphere and camaraderie that comes with a group striving for the same goal. The JB Academy now offers three sections; JB Academy for riders aged 9 – 26, JB Seniors for riders over 26 years old, and now the JB Grassroots for riders under 9 years old, offering the younger riders a training platform to prepare them for their future in the JB Academy.*

**A maximum of 50 riders will be selected for the 2019/2020 season. The JB Academy will run for a 12 month period, starting 1<sup>st</sup> November each year. Riders will join by completing the application form, and submitting the annual fee of £285**

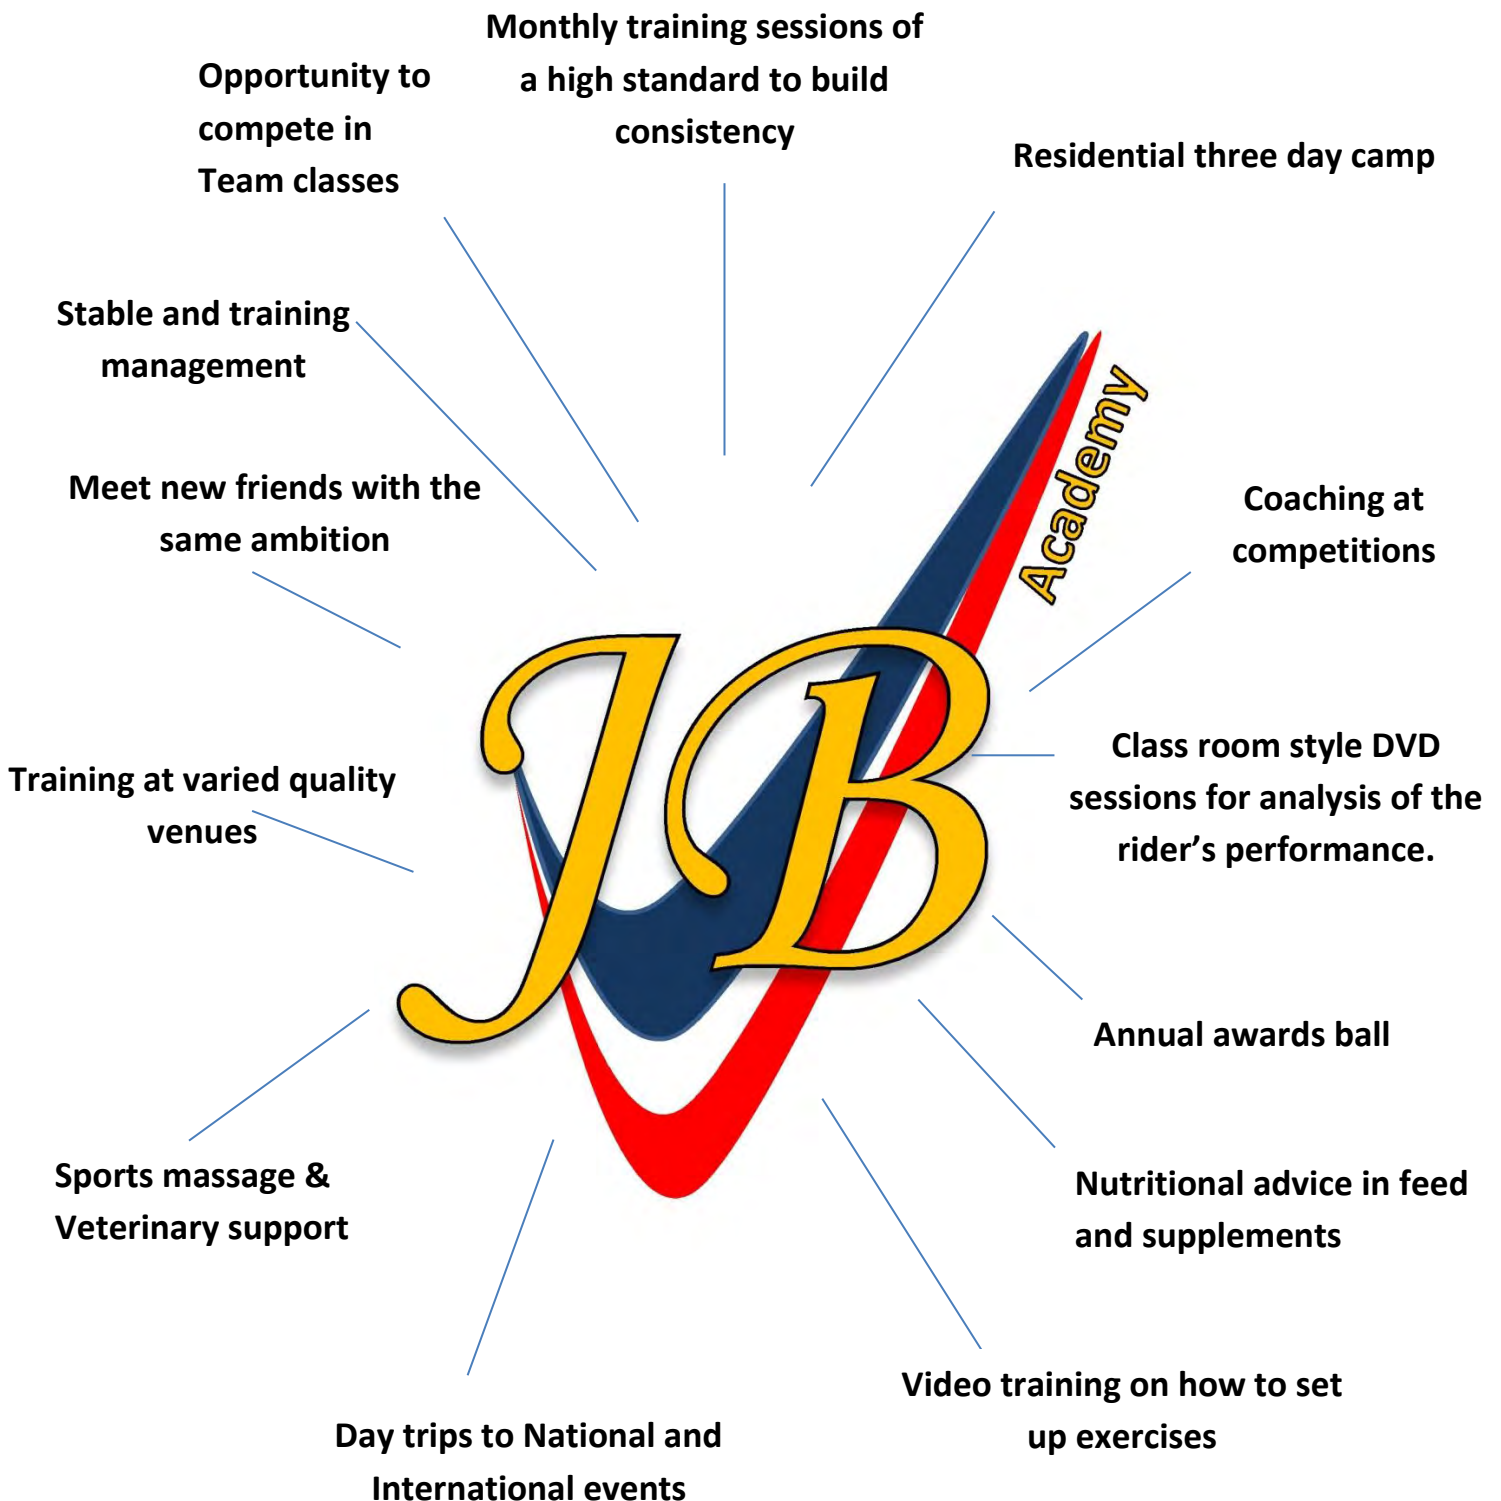

Each member of this elite academy will receive

- 12 training sessions held each month in a selection of venues with excellent facilities
- 6 sessions will include a video diary of the session

# JB Academy Code of Conduct

Please read this carefully and sign at the bottom. As a JB Academy member, you represent the values and integrity of the JB Academy and your conduct should reflect this, at shows, at training and any time you are wearing your JB Academy kit.

You are expected to follow the principles of sportsmanship at all time and act in a professional manner. Any unsportsmanlike behaviour or unprofessional conduct at shows or at training will result in disciplinary action, at Johnathan's discretion.

- 1.** Your tack and equipment must be well-fitting and safe. Further guidance can be found in the BHS handbooks, or ask Johnathan. Any equipment, even if advised by Johnathan, is used at your own risk.
- 2.** Helmets and other safety equipment must adhere to the standards used in Affiliated competition (BSI Kitemarked, SEI ASTM F1163 04a onwards and SNELL E2001). You are strongly recommended to replace your hat if damaged or following a fall.
- 3.** If you choose to leave the JB Academy, you may not use your JB Academy branded saddlecloth in competition, though you are welcome to use it at home.
- 4.** Any additional horse wear or sponsored kit (i.e. rugs) given to you as a JB Academy member remain the property of the JB Academy and must be returned if you leave the Academy or following any breaches of this code of conduct.

Please sign this form as an acknowledgement of your acceptance of these rules. Any questions or concerns should be addressed with Johnathan Bowman directly.
