

JB Academy

Johnathan Bowman is a BS Accredited coach, UKCC Level 3 coach and BHS AI, and is a regular on the BS circuit with young horses he has produced, as well as campaigning his more established horses at international venues both home and in Europe.

The JB Academy is an established and proven method of training. Riders who have enrolled in the JB Academy have enjoyed successes at international shows and events, with riders competing at BS and BE, as well as Riding Club and Pony Club. Riders who enrol enjoy a structure of training, which includes monthly training sessions, support through online virtual style sessions as well as support through our partners on feeding, supplementing your horse and rider safety.

Having managed to support riders remotely through the pandemic, a new virtual membership is now available for those where travel to locations on a monthly basis is problematic, but the desire for a structure to work and train within is required.

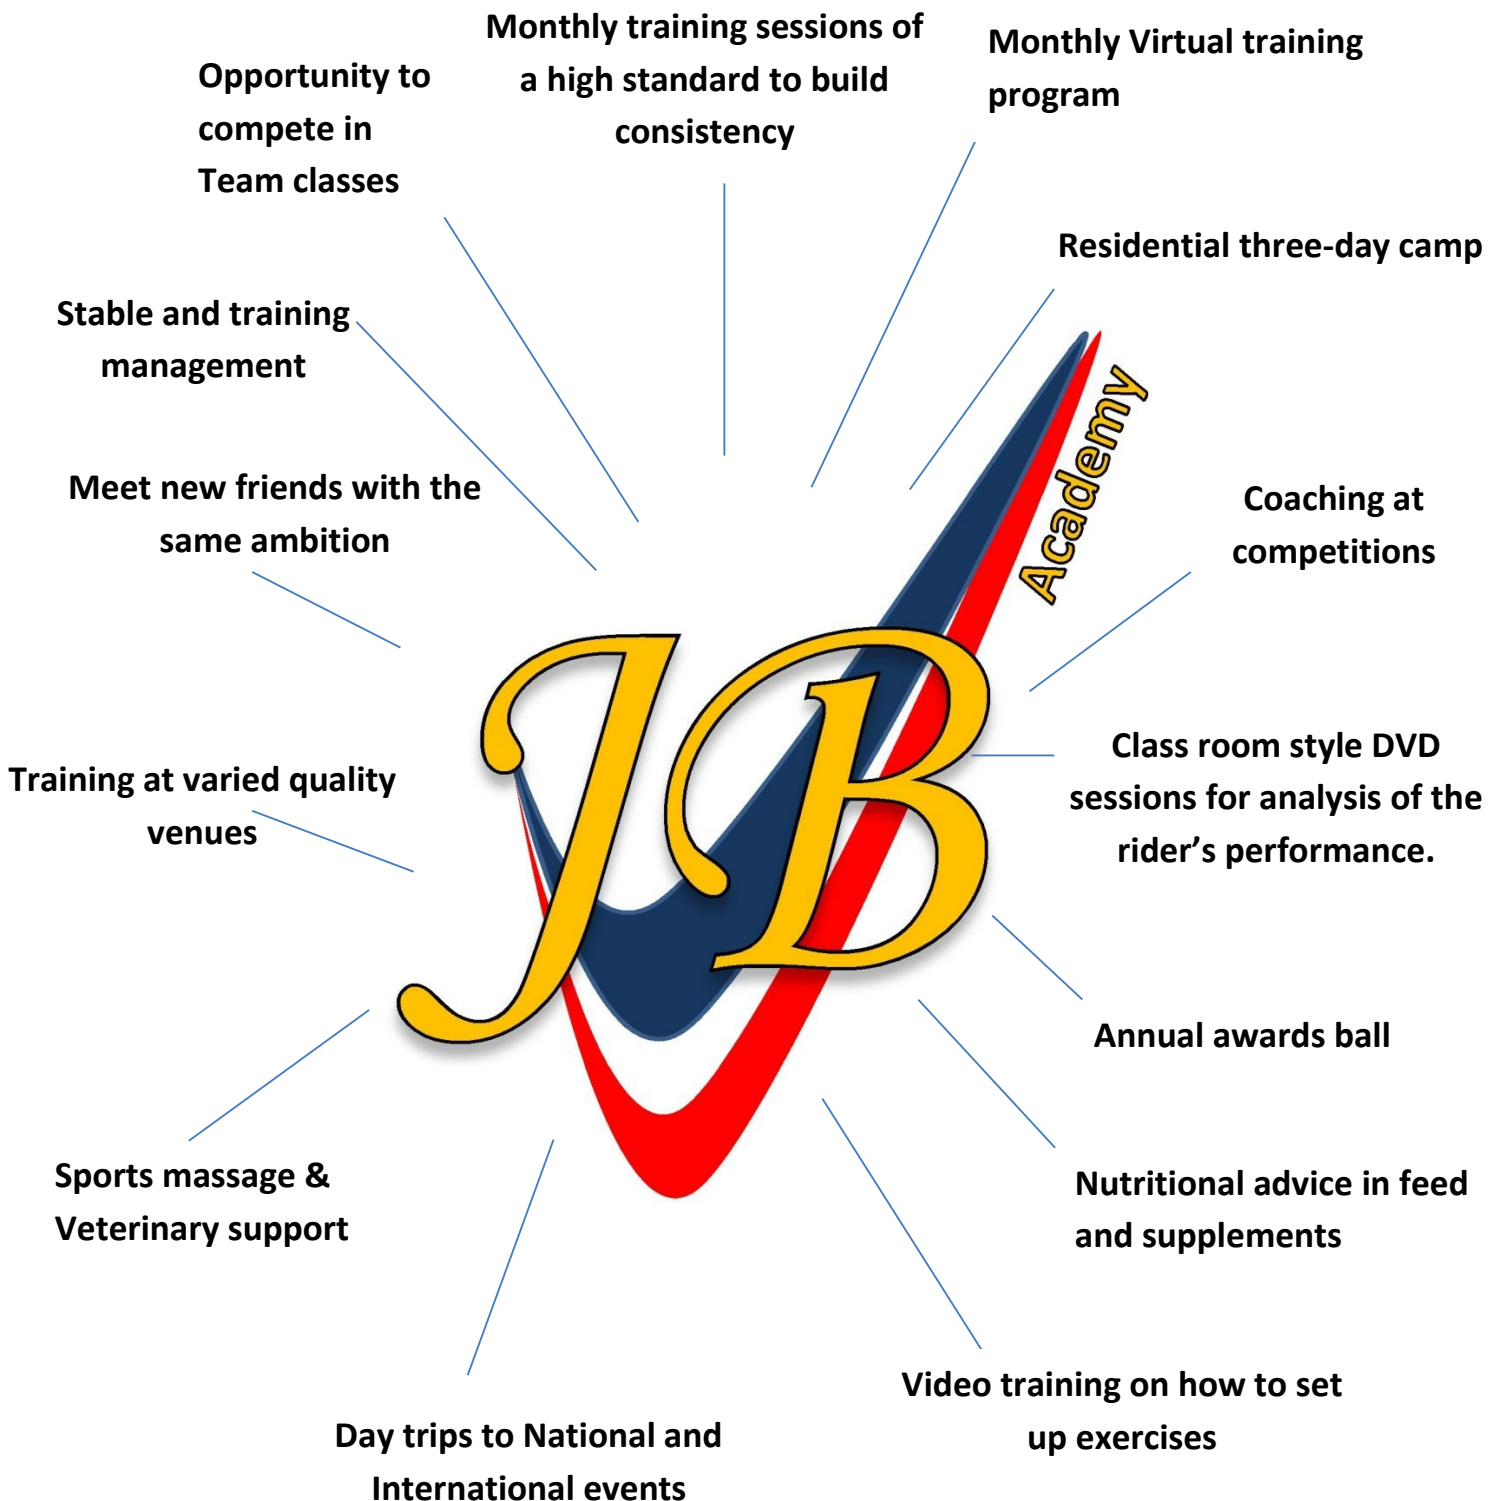

Each member of this elite academy will receive

- 12 training sessions held each month in a selection of venues with excellent facilities
- 6 sessions will include a video diary of the session
- Branded equipment
- 6 videos of how to set up training exercises
- Nutritional support for your horse from NAF
- Feeding advice specific to you from Dodson & Horrell
- Exclusive discount card for use at Sydney Free and Wessex Equine Vets
- Regular class room style sessions using DVD footage and training diagrams
- Annual awards ball
- One to one guidance in setting objectives, classes and competitions
- Coaching at competitions, course walk, warm up and review
- Support for parents – how and when to do exercises at home
- Trips to National and International competitions (additional cost)
- Access to the exclusive three day residential camp (additional cost)
- Further training and clothing available at discounted rates
